

GIRL SCOUTS

Digital Photographer: Juniors

*ACTIVITY OPTIONS:

Track 1: 2-Hour Workshop

Track 2: 3-Hour Workshop

Track 3: Weekly Classes, 4 to 8-hours (total)

**Customized to Troop interest. Badge not included.*

Class Minimum 3-4 students

One adult chaperone required, as needed

The CAC of HV will teach photography techniques such as lighting, perspective and composition. Some pre and post work may need to be completed along with these workshops to meet badge requirements.

Junior Badge Requirement Activities

- Juniors: Find out how to capture a great photo with your digital device, whether you're using a phone or digital camera. When you've earned your badge, you'll know how to use a digital camera to create one-of-a-kind photos.
- The CAC can help Girl Scouts fulfill any of the badge requirements listed below. *Please note that not all the requirements for this badge may be completed during one session. We work collaboratively to customize your troop interest.

Junior Digital Photographer (STEM, Life Skills, Art)

1. Learn about digital cameras from an expert
2. Take tons of photographs!
3. *Edit three photos
4. *Make a digital photo project
5. *Share your photos

Please contact:

deborah@creative-arts-corner.com if you have any additional questions about technology requirements.

GIRL SCOUTS

Digital Photographer: Ambassadors

*ACTIVITY OPTIONS:

Track 1: 2-Hour Workshop

Track 2: 3-Hour Workshop

Track 3: Weekly Classes, 4 to 8-hours (total)

**Customized to Troop interest. Badge not included.*

Class Minimum 3-4 students. One adult chaperone required, as needed

The CAC of HV will teach photography techniques such as lighting, perspective and composition. Some pre and post work will need to be completed along with these workshops to meet badge requirements.

Badge Activities

- **Ambassadors:** Photos show others how you see the world! Learn about the technology behind cameras and hone your skills, presenting the world in their own unique way.
- The CAC can help Girl Scouts fulfill any of the badge requirements listed below. *Please note that not all the requirements for this badge may be completed during a single session. We work collaboratively to customize your troop interest.

Ambassador Photographer (STEM, Art, Life Skills)

1. Explore the power of photography
2. Focus on composition by taking five photos of the same object or person and landscape from different vantage points
3. Focus on light by shooting five portraits
4. Focus on motion by taking photos of objects in motion
5. *Tell a story with photography by making a digital slideshow

Please contact:

deborah@creative-arts-corner.com if you have any additional questions about technology requirements.

GIRL SCOUTS

Outdoor Art: Creator, Explorer, Apprentice, Expert & Master

*ACTIVITY OPTIONS:

Track 1: 2-Hour Workshop

Track 2: 3-Hour Workshop

Class Minimum **3-4 students**

One adult chaperone required, as needed

The CAC of HV will teach photography techniques such as lighting, perspective and composition within a Nature & Architectural setting. Some pre and post work may need to be completed along with these workshops to meet badge requirements.

Badge Activities

- Brownies: As artists, we will walk outside and learn how to observe nature's colors, shapes and patterns. We will use the GARNER Historic District's pathways to

inspire our photography, expand our imaginations and let nature guide our creativity.

- Seniors: Get ready to become an outdoor artist as you connect with nature. You will learn how to see nature and architecture with an artist's eye and find ways to express yourself - As photographers, we will go outside throughout the GARNER Historic District to find art - as it surrounds us, everywhere...
- Juniors, Cadettes & Ambassadors: Being outside in nature is a great way to spark your creativity. This is your chance to bring art and the outdoors together - to get inspired by the beauty in nature and use that inspiration to get creative. From colors and patterns to landscapes and wildlife - Get ready to observe and capture things outdoors that will drive your art and creativity.

Brownie Steps

#4 Be a Nature Photographer

Senior Steps

#1 Explore Art Outdoors

#4 Capture Nature, Digitally

Junior, Cadette & Ambassador Steps

#1 Explore Art Outdoors

#4 Be a Nature Photographer

GIRL SCOUTS

Intro to: Digital Photography: Fun Patch

*ACTIVITY OPTIONS:

1-Hour Workshop

**Customized to Troop interest. Fun Patch not included.*

Class Minimum **4 students**

One adult chaperone required, as needed

The CAC of HV will teach an intro to digital photography including techniques such as lighting, perspective and composition.

Patch Activities

- Find out how to capture a great photo with our digital cameras. When you've earned your patch, you'll understand the basics of digital photography and the foundations of the art form, itself. This intro class touches on STEM, Life Skills and Art.
- We work collaboratively to customize your particular troop's interest.

The Digital Photographer (STEM, Life Skills, Art)

1. Explore a variety of digital photography styles and careers
2. Learn about digital cameras from an expert
3. Explore the art of light, perspective, emotion and composition
4. Take photographs!
5. * Choose 2 images per scout to take back with your troop (**flash drive needed*)

Please contact:

deborah@creative-arts-corner.com if you have any additional questions about technology requirements.
